

COACH PLEDGE

COMMITMENTS AND PLEDGES

After observing the student ministry, spending time in prayer, and discussing with my family the commitment involved with becoming a member of the student ministry Coach Team, I willingly choose to commit to the following:

1. Much of what the apostles learned from Jesus probably came through their observations of what He said **and** didn't say, what He did **and** didn't do. Students are very observant, and much of our ministry is unspoken. We are role models for them, and they tend to believe that what we do and say is what they should do and say. Although these expectations are unrealistic, we have an obligation as leaders to strive to live godly lives and be "above reproach" (Colossians 3:7-10).

I agree that this standard is my goal. Yes No

2. The following are areas of particular interest to us. Our Coaches are expected to keep careful watch over these areas of life. The following is a ministry code of ethics that we would ask you to live by. Violation of any of the following *could possibly* result in your removal from the student ministry Coach Team. Please **initial** each line if you agree to live by these standards while ministering to students at FCC.
